FOR SALE is a 22 year old Scaffolding hire & erection business.

The company designs, supplies and installs comprehensive scaffolding systems for a variety of infrastructure, industrial & commercial projects across the Sydney metropolitan area & the Hunter region of NSW.

Predominantly works with blue-chip clients in the construction, infrastructure, rail and bridge market sectors, undertaking a multitude of high-value, long-term projects.

Maintains strong, long-standing client relationships, some of which have been in place since inception of the business, with a high proportion of the client customer base providing repeat custom.

Experienced management team in place, possessing the skills and expertise required to manage the day-to-day operations with minimal oversight.

Operates from centrally located leasehold premises, supporting the efficient delivery across the serviced regions.
